LONE STAR VALUE MANAGEMENT, LLC

April 28, 2014

Dear Fellow Hudson Stockholder:

Lone Star Value Management, LLC (“Lone Star Value Management” and together with its affiliates, “Lone Star Value” or “we”), Bradley L. Radoff and Richard K. Coleman, Jr. (collectively, the “Participants” and each a “Participant”) are the beneficial owners of an aggregate of 2,454,800 shares of common stock, par value \$0.001 per share (the “Common Stock”), of Hudson Global, Inc., a Delaware corporation (“Hudson” or the “Company”), representing approximately 7.4% of the outstanding shares of Common Stock. For the reasons set forth in the attached Proxy Statement, we believe significant changes to the composition of the Board of Directors of the Company (the “Board”) are necessary in order to ensure that the Company is being run in a manner consistent with your best interests. We are seeking your support for the election of our two nominees at the annual meeting of stockholders scheduled to be held on May 29, 2014, at 8:00 A.M., local time, at the offices of Convene, 101 Park Avenue, Ground Floor, New York, New York 10178 (including any adjournments or postponements thereof and any meeting which may be called in lieu thereof, the “Annual Meeting”). We are seeking representation on the Board because we believe that the Board should include direct stockholder representatives, who have appropriate and relevant skill sets and a shared objective of enhancing value for the benefit of all Hudson stockholders. The individuals we have nominated are highly-qualified, capable and committed to serve stockholders to help make Hudson a stronger, more profitable and more valuable company.

Our interests are fully aligned with the interests of all Hudson stockholders. We believe there is significant value to be realized at Hudson. However, we are concerned that the Board is not taking the appropriate actions to address the Company’s perennial underperformance and unlock value for the benefit of all stockholders. Given the Company’s financial and stock price performance, failed execution and poor corporate governance under the oversight of the current Board, we strongly believe that the Board must be reconstituted to ensure that the interests of the stockholders, the true owners of Hudson, are appropriately represented in the boardroom, and that the Board takes the necessary steps to help the Company’s stockholders realize maximum value for their investment.

The Company has a classified Board, which is currently divided into three classes. The terms of two directors expire at the Annual Meeting. We are seeking your support at the Annual Meeting to elect our nominees in opposition to the Company’s two director nominees for the class with terms ending in 2017. Lone Star Value believes that any attempt to increase or decrease the size of the current Board or the number of directors up for election at the Annual Meeting would constitute an improper manipulation of Hudson’s corporate machinery. Lone Star Value further believes that because every member of the current Board has presided over a period of operating losses and negative stock price performance, ONLY the stockholders, and NOT the current incumbent Board, should determine the new directors to be added to Hudson’s Board at this time. Thus we call on the Board not to add new directors before the Annual Meeting and let the shareholders elect their representatives on the Board. Your vote to elect our nominees will have the legal effect of replacing two incumbent directors with our nominees. If elected, our nominees will constitute a minority on the Board and there can be no guarantee that our nominees will be able to implement the actions that they believe are necessary to unlock stockholder value.

We urge you to carefully consider the information contained in the attached Proxy Statement and then support our efforts by signing, dating and returning the enclosed **GOLD** proxy card today. The attached Proxy Statement and the enclosed **GOLD** proxy card are first being furnished to the stockholders on or about April 28, 2014.

If you have already voted for the incumbent management slate, you have every right to change your vote by signing, dating and returning a later dated proxy or by voting in person at the Annual Meeting.

If you have any questions or require any assistance with your vote, please contact InvestorCom, Inc., which is assisting us, at its address and toll-free numbers listed below.

Background to the Solicitation

The following is a chronology of events leading up to this proxy solicitation:

- On October 21, 2013, Mr. Eberwein and another representative of Lone Star Value met with members of Hudson's management, specifically, Manuel Marquez, Chief Executive Officer, Stephen Nolan, Chief Financial Officer and David Kirby, Vice President of Finance and Treasurer, at the Company's headquarters in New York. During the meeting, Lone Star Value expressed its serious concerns regarding Hudson's history of operating losses and its persistent underperformance versus its peer group.
- Beginning in late October, Lone Star Value began accumulating a position in Hudson.
- On January 10, 2014, the Participants, excluding Mr. Coleman, entered into a Joint Filing and Solicitation Agreement (the "Joint Filing and Solicitation Agreement") in which, among other things, the parties agreed (a) to the joint filing on behalf of each of them of statements on Schedule 13D with respect to the securities of the Company and (b) to solicit proxies for the election of the Nominees at the Annual Meeting.
- On January 14, 2014, Mr. Coleman entered into a Joinder Agreement (the "Joinder Agreement") to the Joint Filing and Solicitation Agreement agreeing to be bound by its terms.
- On January 21, 2014, Lone Star Value delivered a letter to Hudson notifying the Company in accordance with its Bylaws of Lone Star Value's nomination of Messrs. Coleman and Eberwein for election to the Board at the Annual Meeting.
- Also on January 21, 2014, Lone Star Value and the other Participants filed a Schedule 13D disclosing an aggregate 6.8% ownership interest in the Company and its nomination of Messrs. Coleman and Eberwein as director candidates for election to the Board at the Annual Meeting.
- Over the next few weeks, Mr. Eberwein exchanged emails with Mr. Marquez in which they discussed the serious issues facing Hudson and Lone Star Value's belief that a reconstitution of the Board is critical to ensuring that such issues are properly addressed and stockholder value is enhanced at Hudson.
- On February 19, 2014, Mr. Eberwein met with Mr. Marquez and David G. Offensend, a director and member of the Nominating and Corporate Governance, Compensation and Audit Committees of the Board. During the meeting, Mr. Eberwein expressed Lone Star Value's belief that significant changes are needed in the composition of the Board. In a constructive attempt to reach a mutually agreeable resolution and preserve continuity on the Board, Mr. Eberwein proposed that the Board be expanded from six to eight members and he and Mr. Coleman be appointed in the newly created directorships. Mr. Eberwein also provided references to Hudson for further assurance of his qualifications. The Hudson representatives expressed unwillingness to expand the Board to eight directors.
- On February 26, 2014, Lone Star Value and the Company entered into an agreement pursuant to which the parties agreed that for the duration of any potential negotiations they will not publicize their discussions and will not make filings of proxy materials with the Securities and Exchange Commission (the "Standstill Agreement").

- On February 28, 2014, Mr. Eberwein had a telephone conversation with John J. Haley, a director and Chairman of the Nominating and Governance Committee of the Board regarding Board composition.
- On March 3, 2014, Mr. Offensend informed Mr. Eberwein that subject to certain standstill restrictions roughly through the next three years, the Company may be willing to increase the Board by one seat and add one representative of Lone Star Value to fill the newly created directorship. During their telephone conversation, Mr. Offensend communicated to Mr. Eberwein that Hudson was willing to entertain committee membership only on the Audit Committee and possibly the Human Resources Committee for any sole Lone Star Value representative on the Board. Mr. Eberwein explained that given Hudson's long history of underperformance under the stewardship of the incumbents and the fact that the Board has delegated significant decision-making authority to an Executive Committee, any meaningful improvement of the Board must involve committee memberships for two Lone Star Value nominees on all Board committees to ensure appropriate participation in Board deliberations. Mr. Offensend followed up with a written proposal outlining the terms he had communicated on the following day, March 4, 2014.
- On March 7, 2014, Mr. Marquez, in a telephone call with Mr. Eberwein, reiterated that Hudson's Board was unwilling to add both of Lone Star Value's Nominees to the Board, and no incumbent Board member was willing to resign from, or not run for reelection to the Board. Despite acknowledging Hudson's long history of poor performance, Mr. Marquez did not agree with Mr. Eberwein that such poor performance warranted a substantial change to Board composition and specifically the addition of two Lone Star Value Nominees on the Board.
- On March 18, 2014, after careful consideration, Lone Star Value determined that since every incumbent member of Hudson's Board has presided over a period of significant operating losses and negative stock price performance, Hudson's proposal to add only one new member to the Board came short of the change needed on the Board to ensure that the best interests of stockholders are appropriately represented in the boardroom. Accordingly, Lone Star Value terminated the Standstill Agreement, and filed a preliminary proxy statement and issued a press release announcing its intention to seek the election of its two highly-qualified Nominees to the Board at the Annual Meeting.
- On March 19, 2014, Lone Star Value issued a press release announcing that it had filed preliminary proxy materials to elect Messrs. Coleman and Eberwein as directors at the Annual Meeting.
- On April 7, 2014, Mr. Eberwein called Mr. Offensend to make another attempt to reach a mutually-agreeable resolution. Lone Star Value proposed that Messrs. Coleman and Eberwein be added to the Board, one incumbent director resigns or agrees not to run for reelection, and the size of the Board is increased from six to seven members. In previous conversations, Mr. Offensend had indicated that Dan Friedberg, currently Board observer, may want to join the Board as part of a settlement agreement. In response to Lone Star Value's proposal, Mr. Offensend, speaking for himself and not the entire Board, proposed that Ms. Laing and Mr. Dubner resign or not run for reelection, the Board be increased from six to seven members, Messrs. Friedberg and Eberwein join the Board and a third new member with operating experience be mutually agreed upon. Mr. Offensend further agreed that Mr. Coleman could be considered to fill the newly created directorship, along with other candidates proposed by all parties. Lone Star Value acknowledged this proposal as a major step forward in the negotiations, and Mr. Eberwein informed Mr. Offensend that Lone Star Value would strongly consider this offer.
- On April 8, 2014, Mr. Eberwein called Mr. Offensend to inform him that, after careful consideration, Lone Star Value was verbally accepting the offer Mr. Offensend made on April 7, 2014 because, in its view, it represented a major step forward for stockholder rights, stockholder value and stockholder representation at Hudson. Mr. Eberwein suggested that the three potential new members on the Board should have substantial representation on the Board's committees, that the Board should form a Strategy Committee and should consider abolishing the Executive Committee given the small size of the Board and the resulting risk that such Executive Committee could effectively take over major decisions that should be made by the full Board. Mr. Offensend stated that he believed Mr. Eberwein's suggestions were reasonable.
- On April 10, 2014, Mr. Offensend called Mr. Eberwein to inform him that the Board rejected the proposed verbal agreement between Mr. Offensend and Lone Star Value. Mr. Offensend stated that none of the incumbent directors were willing to resign or agree not to run for reelection, and that Mr. Friedberg did not wish to become a member of the Board at this time. Mr. Eberwein expressed his disappointment that a mutually-agreeable resolution could not be reached.
- On April 11, 2014, the Company filed a preliminary proxy statement in connection with the Annual Meeting, and subsequently, on April 15, 2014, the Company filed a definitive proxy statement in connection with the Annual Meeting.

REASONS FOR THE SOLICITATION

WE BELIEVE THAT CHANGE IN A SIGNIFICANT PORTION OF HUDSON'S BOARD IS NEEDED NOW

Lone Star Value has conducted extensive due diligence on Hudson and its business. In so doing, we have carefully analyzed the Company's operating and stock performance and have reviewed the competitive landscape in the professional-level recruitment and talent solutions sector in which it operates. In numerous private communications with certain members of management and the Board, we have demonstrated the causes for our concerns with Hudson and have clearly articulated our views on the challenges Hudson faces, and the future opportunities it can hope to capture over the long term. We are disappointed by this Board's failure to adequately address the issues we have identified and question whether the Board as currently composed will take the necessary steps to maximize opportunities for value creation.

Specifically:

- Ø we are concerned with the Company's prolonged underperformance as well as the Board's continued failure to address these issues and believe the Board can benefit from the addition of new directors with the financial and operating expertise to orchestrate a turnaround;
- Ø we are concerned with the lack of sufficient stock ownership by Hudson's current directors and the resulting misalignment of interests and believe the Board will be greatly improved by the addition of direct stockholder representatives; and
- Ø we are concerned that the Board has a classified structure, is stale and insulated by anti-stockholder defenses and poor corporate governance and we believe new directors who are open-minded and fully committed to exploring and pursuing paths to enhance stockholder value are needed on the Board.

We believe that urgent change is needed on Hudson's Board. We have little confidence that the incumbent Board, as currently composed, will take the steps necessary to enhance stockholder value at Hudson given the lasting underperformance under their stewardship. Therefore, we are soliciting your support to elect our Nominees at the Annual Meeting, who we believe would bring significant and relevant experience, new insight and fresh perspective to the Board.

If elected our Nominees will seek to work constructively with the other members of the Board to enhance shareholder rights and shareholder value, including through the following:

- Ø design and execute on an operational turnaround plan, including by examining with a sense of urgency all aspects of Hudson's business to determine areas to reduce or eliminate costs and return Hudson to profitability;
- Ø enhance corporate governance by terminating the Company's shareholder rights plan and eliminating shareholder-unfriendly provisions, such as the inability of shareholders to act by written consent or call special meetings, supermajority vote requirements for the approval of amendments to Hudson's organizational documents and others, and
- Ø devise more reasonable and better structured executive compensation with performance targets linked to Hudson's operating and stock performance and meaningfully reduced guaranteed pay and bonuses not tied to any operating or stock price metrics.

We Are Concerned with the Company's History of Significant Operating Losses and Negative Stock Price Performance

The current Board has presided over a prolonged operating and stock underperformance. Hudson's Total Stockholder Returns over the last -1 and -3 year periods have been abysmal on an absolute basis, and relative to Hudson's peers and the S&P 500 and Russell 2000 Indices. The results have been similarly disappointing since each of directors Robert Dubner and Jennifer Laing, the two directors up for election this year, joined the Board. The Company has delivered negative returns to stockholders over many consecutive years.

Hudson is a rollup of more than 67 acquisitions in the human resource and professional staffing industry. Since inception as a public company in 2003, Hudson has struggled to consolidate its diverse portfolio of businesses. In 2011 after a dilutive capital raise, the Board hired CEO, Manuel Marquez, to attempt to tackle these challenges and unify Hudson while repositioning the Company for long-term growth. However, efforts to consolidate and turnaround the business have continuously failed and stockholder value continues to be destroyed.

For FY 2013, revenue decreased 15.1% as compared to FY 2012. Gross margin dollars, a key profit metric for Hudson, fell 14% in FY 2013 as compared to FY 2012. Though management reduced SG&A Expenses, some of the savings were reinvested in new fee-earning recruiters – a strategy which has yet to produce results. This translated into another fourth quarter loss on both EBITDA and net income. Hudson reported Adjusted EBITDA loss of \$12.3 million, compared with adjusted EBITDA of \$7.5 million in 2012 and net loss of \$30.4 million in FY 2013, or \$0.94 per basic and diluted share, compared with net loss of \$5.3 million, or \$0.17 per basic and diluted share, in FY 2012. Hudson’s peer group had strongly positive earnings in 2012 and 2013.

Hudson’s margins over the past 10 year have been very disappointing both on an absolute basis and as compared to Hudson’s closest peers, Kelly Services, Inc. (“KELYA”) and Korn/Ferry International (“KFY”).

(1) With dividends reinvested.

We believe that Hudson's dismal absolute and relative stock price performance results from stockholders' extreme frustration with Hudson's very poor historical operating and financial performance and the Board's direction of the Company. We believe the primary reasons for Hudson's long-term stock price underperformance are the continued deterioration of the Company's consolidated financial performance as detailed above, inability to reign in high SG&A Expenses, management's failure to fully consolidate its businesses and the Board's strategic misdirection in targeting unpromising markets.

We Believe Hudson's Board is Stale and Needs Changes to Improve Operating and Stock Performance

Change on the Board is critical to ensure renewed focus and commitment on delivering stockholder value. We believe Hudson's current Board is stale with only one addition in the past 8 years (CEO, Manuel Marquez, in 2011). All other directors have at least 8-year tenures and some have served on the Board for over 10 years. Average tenure of the incumbents is almost 9 years, with directors Laing and Dubner having spent 11 and 8 years on the Board, respectively. It is evident that the current Board has not been interested in proactively and continually adding new talent to the Board. We believe that Hudson's stock price has suffered due to the lack of fresh perspective on the Board. Every incumbent member of Hudson's Board has presided over a period of operating losses and negative stock price performance. For example, during Mr. Dubner's tenure on the Board, Hudson has endured pretax losses of almost \$120 million and HSON's stock price has declined by 80%. During Ms. Laing's tenure on the Board, HSON's pretax losses have totaled \$460 million and its stock price has declined almost 70%.

We Are Concerned With the Lack of Sufficient Stock Ownership by the Current Board Members and the Resulting Misalignment Of Interests

We believe the Board's ineffectiveness at tackling the persistent destruction of stockholder value is in large part a function of a troubling misalignment of interests between the directors and Hudson's stockholders. Collectively, the members of the Board directly own less than 1% of the outstanding stock of the Company, excluding grant awards. In the Company's proxy statement for the 2013 annual meeting of stockholders, the Company disclosed that the members of the Board collectively owned 588,901 shares of Common Stock, but, according to public filings, of these 588,901 shares of Common Stock, only 112,500 shares were purchased by directors in the open market, which constituted less than 0.35% of the Company's outstanding shares of Common Stock. We believe the Board's collective lack of a substantial vested interest in shares of Hudson and the generous cash compensation paid to the outside directors may compromise the Board's ability to properly evaluate and address the serious challenges facing the Company and focus on stockholder value and stockholder rights. The Board's minimal stock ownership is especially surprising given the long tenure of every Board member. Lone Star Value believes that the Company's Stock Ownership Policy should be revised to ensure greater direct investment by directors in the Company.

We are Concerned with Excessive and Poorly Structured Executive Compensation

Despite significant and persistent underperformance, the Board and the Compensation Committee of which Ms. Laing is the Chair, have rewarded executives with excessive and poorly structured executive compensation that, in our view, is not properly aligned to the Company's performance. Both leading independent proxy advisory firms have expressed serious concerns with executive compensation and in 2012 recommended a vote against the advisory proposal on executive compensation and the approval of share increases under Hudson's incentive compensation plan.

Lone Star Value is concerned that Hudson's CEO has been awarded multi-year guaranteed bonuses with no performance triggers and no caps. Mr. Marquez was awarded a \$540,000 discretionary cash bonus in 2012 pursuant to his employment agreement, which represents 90% historic of his annual base salary for 2012. This structure does not tie his compensation with Hudson's performance. This significant increase in CEO compensation appears misaligned with 3-year returns, which are considerably negative on an absolute basis and underperform major indices and industry peers. Further, Mr. Marquez is entitled to change of control payments upon a "single trigger" event of, among others, choosing to leave Hudson for any reason during the 30-day period beginning on the first anniversary of a change-in-control of Hudson. Such an arrangement gives the executive the ability to unilaterally decide whether or not to continue employment, and may put the Compensation Committee at a disadvantage in subsequent compensation negotiations. The purpose of "golden parachutes" is to provide a cushion to executives who could lose employment due to a change in control, so they will objectively evaluate potential offers, not to provide a windfall to executives who do not. In light of the above, we strongly believe a stockholder representative on the Board, and specifically one of the Lone Star Value Nominees if elected, should chair the Compensation Committee going forward.

We Are Concerned With Hudson's Classified Board Structure, Poor Corporate Governance and Limitations On Stockholder Rights

We strongly believe that Hudson's Board should take all necessary steps to immediately declassify the Board's structure to allow for the annual election of all Hudson directors and should not wait until 2015 to commence the process. While we are pleased that following our call on the Board to declassify in our preliminary proxy statement, Hudson has determined to seek shareholder approval for such declassification, we see no legitimate reason why the process should not commence with this year's Annual Meeting. In our view, the ability of stockholders to select directors each year is an important check on the performance of the Board and is critical in allowing stockholder input on the direction and state of the Company and the best group of individuals to oversee their investment. To the contrary, the Board's current classified structure, in our view, impedes the stockholders' ability to regularly and effectively evaluate the performance of their directors and insulates and entrenches the incumbents despite their apparent lapses in oversight. Further, the Chairman and CEO roles are not separated which poses serious concerns over the independence and ability of the Board to impartially oversee management.

We are also concerned with the poor corporate governance that severely limits the ability of stockholders to seek effective change at Hudson. The Company has a stockholder rights plan, or poison pill, which effectively limits ownership to 15% and which has not been approved or ratified by stockholders. Stockholders are prohibited from calling special meetings, cannot act by written consent, and must obtain a prohibitively high supermajority vote to amend stockholder-unfriendly provisions in the Company's organizational documents and remove directors. If elected, our Nominees will work hard to improve corporate governance at Hudson by eliminating all these anti-stockholder provisions. We believe that the Board should not be able to utilize Hudson's corporate machinery to insulate itself and prevent change that would benefit all stockholders.

**OUR TWO NOMINEES HAVE THE EXPERIENCE, QUALIFICATIONS AND COMMITMENT NECESSARY TO FULLY EXPLORE
AVAILABLE OPPORTUNITIES TO UNLOCK VALUE FOR STOCKHOLDERS**

We have identified two highly qualified, independent directors with valuable and relevant business and financial experience who we believe will bring a fresh perspective into the boardroom and would be extremely helpful in evaluating and executing on initiatives to unlock value at the Company. Further, we believe Hudson's continued underperformance at this critical time warrants the addition of direct stockholder representatives on the Board, whose interests are closely aligned with those of all stockholders and who will work constructively with the other members of the Board to protect the best interests of Hudson's stockholders.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

The Company currently has a classified Board, which is divided into three classes. The directors in each class are elected for terms of three years so that the term of office of one class of directors expires at each annual meeting of stockholders. We believe that the terms of two directors expire at the Annual Meeting. We are seeking your support at the Annual Meeting to elect our Nominees in opposition to the Company's two director nominees for terms ending in 2017. Your vote to elect such Nominees will have the legal effect of replacing two incumbent directors with the Nominees. If elected, such Nominees will represent a minority of the members of the Board, and therefore it is not guaranteed that they can implement any actions that they may believe are necessary to enhance stockholder value as described in further detail above.

THE NOMINEES

The following information sets forth the name, age, business address, present principal occupation, and employment and material occupations, positions, offices, or employments for the past five years of each of the Nominees. The nominations were made in a timely manner and in compliance with the applicable provisions of the Company's governing instruments. The specific experience, qualifications, attributes and skills that led us to conclude that the Nominees should serve as directors of the Company are set forth above in the section entitled "Reasons for the Solicitation" and below. This information has been furnished to us by the Nominees. All of the Nominees are citizens of the United States.

Richard K. Coleman, Jr., age 57, is the founder and President of Rocky Mountain Venture Services. Since 1998, his company has helped companies plan and launch new business ventures and restructuring initiatives. As a private investor and advisor, Mr. Coleman helps companies develop and execute strategic changes, often serving as an interim executive and/or board member. Mr. Coleman is currently the President and Chief Executive Officer ("CEO") of Crossroads Systems, Inc. (NASDAQ:CRDS) ("Crossroads"), a global provider of data archive solutions, a position he has held since November 2013. He has also served on the Board of Directors of Crossroads, since April 2013. Previously, he served as the interim President and CEO of Crossroads from May 2013 until November 2013. Mr. Coleman has served on the Board of Directors of NTS, Inc. (NYSE:NTS) ("NTS"), a broadband services and telecommunications company, since December 2012, where he serves as Chairman of the Strategy Advisory Committee and as a member of the Special Committee. Mr. Coleman has also been a director of Ciber, Inc. (NYSE:CBR), a leading global information technology company, since April 2014, where he also serves on the Nominating/Corporate Governance Committee. Previously, Mr. Coleman served as a director of Aetrium Incorporated (NASDAQ:ATRM) ("Aetrium"), a manufacturer of a variety of electromechanical equipment used in the handling and testing of semiconductor devices, from January 2013 until April 2014, where he also served as a member of its Audit and Compensation Committees as well as Chairman of the Nominating and Corporate Governance Committee. In addition, Mr. Coleman served on the Board of Directors of On Track Innovations Ltd. (NASDAQ: OTIV) ("On Track Innovations"), one of the pioneers of cashless payment technology, a position he held from December 2012 until April 2014. Previously, Mr. Coleman served in a variety of senior operational roles including CEO of Vroom Technologies Inc., a Customer Relationship Management (CRM) software company, Chief Operating Officer of MetroNet Communications, Canada's largest independent facilities-based telecom services provider, and President of US West Long Distance. Mr. Coleman also previously held significant officer level positions with Frontier Communications, Centex Telemanagement and Sprint Communications. Mr. Coleman began his career as an Air Force Telecommunications Officer managing Department of Defense R&D projects. He has served as an Adjunct Professor for Regis University's Graduate Management program and is a guest lecturer for Denver University, focusing on leadership and ethics. Mr. Coleman holds a B.S. Degree from the United States Air Force Academy, an M.B.A. from Golden Gate University, and is a graduate of the United States Air Force Communications Systems Officer School.

Lone Star Value believes that Mr. Coleman's depth of experience serving in senior executive positions and on various public company boards coupled with his extensive expertise in business development and operations well qualifies him for service as a director of the Company.

Jeffrey E. Eberwein, age 43, is the founder and Chief Executive Officer of Lone Star Value Management, an investment firm. Prior to founding Lone Star Value Management in January 2013, Mr. Eberwein was a private investor from December 2011 to December 2012. He was a portfolio manager at Soros Fund Management, from January 2009 to December 2011, and Viking Global Investors, from March 2005 to September 2008. Mr. Eberwein is Chairman of the Boards of Directors of three public companies: Digirad Corporation (NASDAQ: DRAD) (“Digirad”), a medical imaging company, since February 2013; Crossroads (NASDAQ:CRDS), since June 2013; and Aetrium (NASDAQ:ATRM), since November 2013. Previously, Mr. Eberwein served as a director of On Track Innovations (NASDAQ: OTIV) from December 2012 to March 2014, where he also served on the Compensation and Audit Committees, and as a director of Goldfield Corporation from May 2012 to May 2013. Mr. Eberwein is also the treasurer and serves on the Executive Committee of the Board of Hope for New York, a 501(c)(3) organization dedicated to serving the poor in New York City. Mr. Eberwein earned an MBA from The Wharton School, University of Pennsylvania and a BBA with high honors from The University of Texas at Austin.

Lone Star Value believes that Mr. Eberwein’s over twenty years of Wall Street experience and valuable public company and financial expertise, gained from both his employment history and directorships, will enable him to provide effective oversight of the Company as a member of the Board.

The principal business address of Mr. Coleman is c/o Crossroads Systems, Inc., 11000 North MoPac Expressway, Austin, Texas 78759. The principal business address of Mr. Eberwein is c/o Lone Star Value Management, LLC, 53 Forest Avenue, 1st Floor, Old Greenwich, Connecticut 06870.

As of the date hereof, Mr. Coleman directly owns 1,000 shares of Common Stock. As of the date hereof, Mr. Eberwein does not directly own any securities of the Company. Mr. Eberwein, as the manager of Lone Star Value Investors GP, which serves as the general partner of Lone Star Value Investors, and as the sole member of Lone Star Value Management, which serves as the investment manager of Lone Star Value Investors, may be deemed the beneficial owner of the 1,850,000 shares of Common Stock owned by Lone Star Value Investors.

Each of the Nominees may be deemed to be a member of the Group (as defined below) for the purposes of Section 13(d)(3) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”). Each of the Nominees specifically disclaims beneficial ownership of shares of Common Stock that he does not directly own. For information regarding purchases and sales during the past two years by the Nominees and by the members of the Group of securities of the Company, see Schedule I.

Lone Star Value Investors and certain of its affiliates have signed a letter agreement, pursuant to which they agree to indemnify Mr. Coleman against claims arising from the solicitation of proxies from the Company stockholders in connection with the Annual Meeting and any related transactions.

On January 10, 2014, Lone Star Value Investors, Lone Star Value GP, Lone Star Value Management, Jeffrey E. Eberwein and Bradley L. Radoff entered into a Joint Filing and Solicitation Agreement in which, among other things, (a) the parties agreed to the joint filing on behalf of each of them of statements on Schedule 13D, and any amendments thereto, with respect to the securities of the Company and (b) the parties agreed to solicit proxies for the election of nominees at the Annual Meeting (the “Solicitation”). On January 14, 2014, Mr. Coleman entered into a Joinder Agreement to the Joint Filing and Solicitation Agreement, pursuant to which he agreed to be bound by the terms and conditions set forth therein, including, among other things, the joint filing on behalf of each of them of statements on Schedule 13D, and any amendments thereto, with respect to the securities of the Company. The members of Lone Star Value and the other Participants are collectively referred to as the “Group” herein.

Other than as stated herein, and except for compensation received by Mr. Eberwein as the Managing Member of Lone Star Value Management, there are no arrangements or understandings between members of Lone Star Value and any of the Nominees or any other person or persons pursuant to which the nomination of the Nominees described herein is to be made, other than the consent by each of the Nominees to be named in this Proxy Statement and to serve as a director of the Company if elected as such at the Annual Meeting. None of the Nominees is a party adverse to the Company or any of its subsidiaries or has a material interest adverse to the Company or any of its subsidiaries in any material pending legal proceedings.

Each Nominee presently is, and if elected as a director of the Company would be, an “independent director” within the meaning of (i) applicable NASDAQ listing standards applicable to board composition and (ii) Section 301 of the Sarbanes-Oxley Act of 2002. No Nominee is a member of the Company’s compensation, nominating or audit committee that is not independent under any such committee’s applicable independence standards.

We do not expect that the Nominees will be unable to stand for election, but, in the event any Nominee is unable to serve or for good cause will not serve, the shares of Common Stock represented by the enclosed **GOLD** proxy card will be voted for substitute nominee(s), to the extent this is not prohibited under Hudson’s Amended and Restated By-laws (the “Bylaws”) and applicable law. In addition, we reserve the right to nominate substitute person(s) if the Company makes or announces any changes to its Bylaws or takes or announces any other action that has, or if consummated would have, the effect of disqualifying any Nominee, to the extent this is not prohibited under the Bylaws and applicable law. In any such case, shares of Common Stock represented by the enclosed **GOLD** proxy card will be voted for such substitute nominee(s). We reserve the right to nominate additional person(s), to the extent this is not prohibited under the Bylaws and applicable law, if the Company increases the size of the Board above its existing size or increases the number of directors whose terms expire at the Annual Meeting. Additional nominations made pursuant to the preceding sentence are without prejudice to the position of Lone Star Value that any attempt to increase the size of the current Board or to reconstitute or reconfigure the classes on which the current directors serve constitutes an unlawful manipulation of the Company’s corporate machinery.

WE URGE YOU TO VOTE FOR THE ELECTION OF THE NOMINEES ON THE ENCLOSED GOLD PROXY CARD.

PROPOSAL NO. 2

ADVISORY VOTE TO APPROVE THE COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS

As discussed in further detail in the Company's proxy statement, the Company is asking stockholders to indicate their support for the compensation of the Company's named executive officers. This proposal, commonly known as a "Say-on-Pay" proposal, asks the Company's stockholders to vote, on a non-binding, advisory basis, on a resolution approving the compensation of the Company's named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the "Compensation Discussion and Analysis" and "Executive Compensation" sections of the Company's proxy statement.

According to the Company's proxy statement, the stockholder vote on the Say-on-Pay Proposal is an advisory vote only, and it is not binding on the Company, the Board, or the Compensation Committee of the Board.

WE MAKE NO RECOMMENDATION WITH RESPECT TO THIS SAY-ON-PAY PROPOSAL AND INTEND TO VOTE OUR SHARES ON THIS PROPOSAL ACCORDING TO THE RECOMMENDATION OF INSTITUTIONAL SHAREHOLDER SERVICES (ISS).

PROPOSAL NO. 3

RATIFICATION OF APPOINTMENT OF KPMG LLP AS INDEPENDENT REGISTERED PUBLIC ACCOUNTANTING FIRM

As discussed in further detail in the Company's proxy statement, the Audit Committee of the Board has appointed KPMG LLP as the Company's independent registered public accounting firm to audit the Company's financial statements and management's assessment of internal controls over financial reporting for the fiscal year ending December 31, 2014. The Board is seeking stockholder ratification of the appointment of KPMG LLP as the Company's independent registered public accounting firm for the fiscal year 2014.

As disclosed in the Company's proxy statement, if the appointment is not ratified by a majority of the votes cast, the adverse vote will be considered as an indication to the Audit Committee that it should consider selecting another independent registered public accounting firm for the following fiscal year. Even if the appointment is ratified, the Audit Committee, in its discretion, may select a new independent registered public accounting firm at any time during the year if it believes that such a change would be in the Company's best interest.

WE MAKE NO RECOMMENDATION WITH RESPECT TO THE RATIFICATION OF THE APPOINTMENT OF KPMG LLP AS THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM OF THE COMPANY FOR FISCAL 2014 AND INTEND TO VOTE OUR SHARES "FOR" THIS PROPOSAL.

PROPOSAL NO. 4

APPROVAL OF AN AMENDMENT TO HUDSON'S AMENDED AND RESTATED CERTIFICATE OF INCORPORATION TO DECLASSIFY THE BOARD AND PROVIDE FOR THE ANNUAL ELECTION OF DIRECTORS

As discussed in further detail in the Company's proxy statement, the Board is seeking stockholder approval to amend the Company's Amended and Restated Certificate of Incorporation to declassify the Board and provide for the annual election of directors commencing at the 2015 Annual Meeting of Stockholders (the "2015 Annual Meeting"). Currently, the Amended and Restated Certificate of Incorporation provides that the Board shall be divided into three classes, with members of each class of directors serving a three-year term. As disclosed in the Company's proxy statement, if the amendment to the Company's Amended and Restated Certificate of Incorporation is adopted and approved by the stockholders, the declassification of the Board would be phased in commencing with the 2015 Annual Meeting, and would result in the Board being fully declassified (and all Board members standing for annual elections) commencing with the 2017 annual meeting of stockholders.

Lone Star Value has previously publicly urged immediate declassification of the Board. However, we disagree with the Board's proposal to elect directors at the Annual Meeting for three-year terms and delay the commencement of the declassification process until the 2015 Annual Meeting with the prospect of full declassification only after 2017. We see no legitimate reason to prolong a classified structure that limits the rights of shareholders to annually evaluate and elect their directors.

Accordingly, Lone Star Value believes that at a minimum the Board should have sought, as a first proposal, shareholder approval for the declassification of the Board commencing immediately. To the extent such declassification proposal is approved then any directors elected at the Annual Meeting would serve one-year terms expiring at the 2015 Annual Meeting and, in the alternative, in the event that the declassification proposal is not approved then directors elected at the Annual Meeting will serve three-year terms. Despite reservations over, in our view, the unnecessary delay of the declassification process, we believe that the annual election of directors is an important step in the right direction and will support the declassification proposal. However, we urge the Board to revise its proxy materials to seek the immediate declassification of the Board starting at this Annual Meeting.

WE RECOMMEND A VOTE FOR THE APPROVAL OF THE AMENDMENT TO HUDSON'S AMENDED AND RESTATED CERTIFICATE OF INCORPORATION SEEKING TO DECLASSIFY THE BOARD AND INTEND TO VOTE OUR SHARES "FOR" THIS PROPOSAL.

VOTING AND PROXY PROCEDURES

Stockholders are entitled to one vote for each share of Common Stock held of record on the Record Date with respect to each matter to be acted on at the Annual Meeting. Only stockholders of record on the Record Date will be entitled to notice of and to vote at the Annual Meeting. Stockholders who sell their shares of Common Stock before the Record Date (or acquire them without voting rights after the Record Date) may not vote such shares of Common Stock. Stockholders of record on the Record Date will retain their voting rights in connection with the Annual Meeting even if they sell such shares of Common Stock after the Record Date. Based on publicly available information, Lone Star Value believes that the only outstanding class of securities of the Company entitled to vote at the Annual Meeting is the shares of Common Stock.

Shares of Common Stock represented by properly executed **GOLD** proxy cards will be voted at the Annual Meeting as marked and, in the absence of specific instructions, will be voted **FOR** the election of the Nominees, according to ISS recommendation on the approval of the Say-on-Pay Proposal, **FOR** the ratification of KPMG LLP as the Company's independent registered public accounting firm for fiscal 2014, and **FOR** the approval of the amendment to the Company's Amended and Restated Certificate of Incorporation to declassify the Board and provide for the annual election of directors.

According to the Company's proxy statement for the Annual Meeting, the current Board intends to nominate two candidates for election at the Annual Meeting. This Proxy Statement is soliciting proxies to elect only our Nominees. Accordingly, the enclosed **GOLD** proxy card may only be voted for the Nominees and does not confer voting power with respect to the Company's nominees. The Participants in this solicitation intend to vote all of the Lone Star Value Group Shares in favor of the Nominees.

QUORUM; BROKER NON-VOTES; DISCRETIONARY VOTING

A quorum is the minimum number of shares of Common Stock that must be represented at a duly called meeting in person or by proxy in order to legally conduct business at the meeting. For the Annual Meeting, the presence, in person or by proxy, of the holders of at least 32,873,468 shares of Common Stock, which represents a majority of the 16,436,734 shares of Common Stock outstanding as of the Record Date, will be considered a quorum allowing votes to be taken and counted for the matters before the stockholders.

Abstentions are counted as present and entitled to vote for purposes of determining a quorum. Shares represented by "broker non-votes" also are counted as present and entitled to vote for purposes of determining a quorum. However, if you hold your shares in street name and do not provide voting instructions to your broker, your shares will not be voted on any proposal on which your broker does not have discretionary authority to vote (a "broker non-vote"). Under rules of The NASDAQ Stock Market, your broker will not have discretionary authority to vote your shares at the Annual Meeting on any of the proposals.

If you are a stockholder of record, you must deliver your vote by mail, attend the Annual Meeting in person and vote, vote by Internet or vote by telephone in order to be counted in the determination of a quorum.

If you are a beneficial owner, your broker will vote your shares pursuant to your instructions, and those shares will count in the determination of a quorum. Brokers do not have discretionary authority to vote on any of the proposals at the Annual Meeting. Accordingly, unless you vote via proxy card or provide instructions to your broker, your shares of Common Stock will count for purposes of attaining a quorum, but will not be voted on those proposals.

VOTES REQUIRED FOR APPROVAL

Election of Directors — The Company has adopted a plurality vote standard for non-contested and contested director elections. As a result of our nomination of the Nominees, the director election at the Annual Meeting will be contested, so the two nominees for director receiving the highest vote totals will be elected as directors of the Company. With respect to the election of directors, only votes cast “FOR” a nominee will be counted. Proxy cards specifying that votes should be withheld with respect to one or more nominees will result in those nominees receiving fewer votes but will not count as a vote against the nominees. Neither an abstention nor a broker non-vote will count as a vote cast “FOR” or “AGAINST” a director nominee. Therefore, abstentions and broker non-votes will have no direct effect on the outcome of the election of directors.

Advisory (nonbinding) Vote on Executive Compensation — According to the Company’s proxy statement, although the vote is non-binding, assuming that a quorum is present, the advisory vote on executive compensation will be approved if the holders of a majority of the shares having voting power present in person or represented by proxy at the Annual Meeting vote in favor of approval of the resolution. The Company has indicated that broker non-votes will have no effect on the approval of the resolution, but abstentions will act as a vote against approval of the resolution.

Ratification of the Appointment of Accounting Firm — According to the Company’s proxy statement, assuming that a quorum is present, the selection of KPMG LLP will be deemed to have been ratified if the holders of a majority of the shares having voting power present in person or represented by proxy at the Annual Meeting vote in favor of ratification. The Company has indicated that broker non-votes will have no effect on the ratification of the appointment, but abstentions will act as a vote against ratification of the appointment.

Amendment to Amended and Restated Certificate of Incorporation — According to the Company’s proxy statement, assuming that a quorum is present, the amendment to the Company’s Amended and Restated Certificate of Incorporation will be approved if the holders of at least 70% of the outstanding shares of Common Stock vote in favor of approval of the amendment. The Company has indicated that both broker non-votes and abstentions will act as a vote against the amendment.

Under applicable Delaware law, none of the holders of Common Stock is entitled to appraisal rights in connection with any matter to be acted on at the Annual Meeting. If you sign and submit your **GOLD** proxy card without specifying how you would like your shares voted, your shares will be voted in accordance with Lone Star Value’s recommendations specified herein and in accordance with the discretion of the persons named on the **GOLD** proxy card with respect to any other matters that may be voted upon at the Annual Meeting.

REVOCATION OF PROXIES

Stockholders of the Company may revoke their proxies at any time prior to exercise by attending the Annual Meeting and voting in person (although attendance at the Annual Meeting will not in and of itself constitute revocation of a proxy) or by delivering a written notice of revocation. The delivery of a subsequently dated proxy which is properly completed will constitute a revocation of any earlier proxy. The revocation may be delivered either to Lone Star Value in care of InvestorCom at the address set forth on the back cover of this Proxy Statement or to the Company at 560 Lexington Avenue, 5th Floor, New York, New York 10022 or any other address provided by the Company. Although a revocation is effective if delivered to the Company, we request that either the original or photostatic copies of all revocations be mailed to Lone Star Value in care of InvestorCom at the address set forth on the back cover of this Proxy Statement so that we will be aware of all revocations and can more accurately determine if and when proxies have been received from the holders of record on the Record Date of a majority of the outstanding shares of Common Stock. Additionally, InvestorCom may use this information to contact stockholders who have revoked their proxies in order to solicit later dated proxies for the election of the Nominees.

IF YOU WISH TO VOTE FOR THE ELECTION OF THE NOMINEES TO THE BOARD, PLEASE SIGN, DATE AND RETURN PROMPTLY THE ENCLOSED GOLD PROXY CARD IN THE POSTAGE-PAID ENVELOPE PROVIDED.

SOLICITATION OF PROXIES

InvestorCom will solicit proxies from individuals, brokers, banks, bank nominees and other institutional holders. Lone Star Value has requested banks, brokerage houses and other custodians, nominees and fiduciaries to forward all solicitation materials to the beneficial owners of the shares of Common Stock they hold of record. Lone Star Value will reimburse these record holders for their reasonable out-of-pocket expenses in so doing. It is anticipated that InvestorCom will employ approximately 30 persons to solicit stockholders for the Annual Meeting.

The entire expense of soliciting proxies is being borne by Lone Star Value. Costs of this solicitation of proxies are currently estimated to be approximately \$ 125,000 . Lone Star Value estimates that through the date hereof its expenses in connection with this solicitation are approximately \$ 100,000 .
